■ Regarding the registration of credit card for a guarantee

- It is necessary to register your credit card for a guarantee when you make a reservation.

This is not prepayment. The amount is just hold from your credit card limit.

It will be released and void the information of your credit card after your visit.

Rarely, you may be received some notification from the company of credit card.

Although, there is no notification when the amount will be released.

Regarding the registration, we don't recommend to use debit card for this. Because the amount will be debited immediately. It will be refunded, however, it may take about 2 ~ 4 months to refund due to overseas.
